THIS FALL'S  
TOP STORIES

## 1 year anniversary of our new bus!

This month marks the 1 year anniversary of our beautiful bus! You can read all about it in [our latest blog post](#).

---

## Toddler Development Instrument!

Are you the parent or caregiver of a toddler ages 12 to 24 months? [Take the 15 minute TDI survey](#) to help researchers and local service providers understand the needs of Powell River and qathet Region families. The deadline to complete it is the end of October and you will be entered to win a \$50 grocery gift card.

## We have a new driver!

Thanks to a grant from the Community Response Fund, we were able to hire a driver which alleviated pressure from our volunteer driver team. When you attend outdoor ORCA bus programming, you will see Autumn Ennenberg at the helm of the bus! Autumn is thrilled to join the ORCA bus team! She has held a Class 2 bus license since 1996 and has driven vehicles of all shapes and sizes since then. We are sure that driving the ORCA Bus and bringing fun activities to the kids of Powell River will end up being her favourite!

## Thank-you for our COMMUNITY

Please continue to be kind and look after one another during these strange times. We will get through it and come out stronger in the end.
