Hello friends of the ORCA Bus!

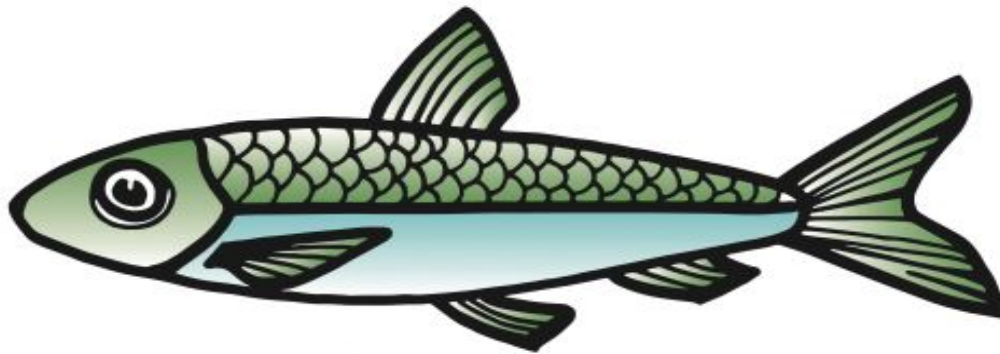

We have missed having you on-board!

Hello friends! We have really missed having you on board. We have been waiting to reach out until we knew more about when we could re-start operations.

Unfortunately, at this time we still don't have an update. All of us at the ORCA bus care about the health and wellness of everyone in our community. The bus will remain off-the-road, until further notice. We are looking forward to resuming service when it is safe to do so.

THIS MONTH'S
TOP STORIES

We launched a website!

In April, we launched a website, you can find it [here](#). You will find COVID-19 help, Family Resources, and a Blog. On Mondays, we have been posting a [Weekly Round-Up](#) of fun ideas around the internet! Check it out! Once we are back on-the-road, you will also be able to find the monthly schedule posted [here](#).

We have a winner!

On May 4th, [The Ice Cream Man](#) announced a winner of the Annual T-Shirt Art Contest. Taylor Mostat's awesome design will be featured on the Summer 2020 edition. All proceeds from the sale of the t-shirts support ORCA Bus operations. T-shirts will be available, for purchase, on the truck.

We need volunteer drivers!

Would you like to get more involved in your local community? The ORCA Bus is a non-profit organization that relies on grants, sponsorship, and dedicated volunteers to run. Volunteer drivers operate the ORCA bus and drive program facilitators to scheduled stops in all areas of qathet Regional District. Once it is safe to operate, we are seeking additional volunteer drivers. No special license is needed, only Class 5, with a clean driving abstract. Please pass this along to anyone that might be interested. You can find out more [here](#).

COVID-19 and our COMMUNITY

The creativity and care we have seen in our community over the past eight weeks has been heartwarming. Please continue to be kind and look after one another. We will get through this challenging time together.
